HHCA OOSC Frequently asked questions

Staffing is kept at a 1:15 (one staff for every 15 children) ratio or lower

Subsidy information:

Kindergarten children qualify for the new \$10/day subsidy, and grant.

The grant will be automatically applied for by the program if you do not have subsidy.

Families must make less than \$150,000 household income to qualify and must have a child currently registered in Kindergarten. The amount will differ depending on the household income.

Grades 1 – 6 children qualify for the regular provincial subsidy

Families must make \$90,000 or less in household income to qualify for this subsidy, and the amount will differ depending on the household income.

Parents must go to the Government of Alberta website to fill out an application for either subsidy. (We can provide help upstairs if required) <https://www.alberta.ca/child-care-subsidy.aspx>
