Please refer to DO NOT ACCEPT LIST

City of Calgary

City of Calgary Waste & Recycling Services and Community Strategies partner up with community associations to help residents get rid of unwanted household items and property waste.

By providing three packer trucks, this event saves residents a trip to the landfill for items that do not fit in their waste carts. This service is free of charge to all Calgarians.

Please review the donation, larger item, and recycling options available before disposal. **For the overall safety of our staff and volunteers, before attending the event, carefully review the non-accepted items list. Ensure there are no non-accepted items within your items.** Ultimately, it's up to the event organizers as to what can and cannot be accepted.

A safe distance is needed when trucks are being compacted. Please practice patience. Any non-respectful behaviour towards staff and volunteers on-site will not be tolerated.
